

# Dua Lipa, Thinking 'Bout You

3a.m. and my neighbors hate me  
Music blasting, shaking these walls  
This Time Mary Jane won't save me  
I've been working late  
I've been drinking stronger  
I've been smoking deeper  
But the memories won't stop

I can't stop thinking about you /2x  
I can't get high  
I can't get by  
I can't get through  
I can't stop thinking about you

Like poison coursing through me  
Soaking, my vision is blurred  
The haze won't put my mind at ease  
I've been sleeping late  
I've been breathing stronger  
I've been digging deeper  
But the memories won't stop

I can't stop thinking about you /2x  
I can't get high  
I can't get by  
I can't get through  
I can't stop thinking about you

I want you all  
Say it before You run out of time  
I want you all  
Say it before it's too late  
I want you all  
Say what I am feeling now  
I want you all

I can't stop thinking about you /2x  
I can't get high  
I can't get by  
I can't get through  
I can't stop thinking about you
