

Dub War, Spiritual Warfare

nuff tings a gworn pon dee land
dat the world can't understand
but the way me a cheak it
you know the truth it is at hand
an stands for the right
an it never could stand
up for the wrong
there's a relm in the earth
unseen to the eye but it still carrys on
spiritually, it's mystically, super naturally
there's war there's war there's war
spiritual warfare
spiritual warfare
spiritual warfare
there is spiritual warfare
chicken licken come alone an he was telling everyone
the world is falling down
check the root of history there is a lot
who would agree that the world is falling down
spiritually it's mystically super naturally
it's war it's war it's war it's WAR
