Nobody knows the reason
Polititios are lyin
I know now now
So tell me why
Łaiajiaaj
Tell me the reason
Why
Łaiajiaaj
Yes i'm a freeman
all what i say
Most of the people
Wants live in that way
Drink water from the
fontain, fontain of life
But some of them some of them
Wants to drink water from
the fontain of death
It's a old and simply truth
everyone knows
Everything whats makes the wars
is just destroy
Only pain, only tears, only blood
Every thing whats makes the wars
is just destroy
