

Dubska, Subway

I woke up this morning
and thing what i have
to do . Its not so easy
to find some job
Now only thing what i
want is singin and play
i take my guitar and
go away
No money no choises all
i hear is human voices
subway subway subway
i gonna play there today
People are wolking
People are talking
Train is comming
Another one
will be my stage
That gay with
glasses and tie
looks so bussy
ej man put some smile
on the face
No money....
Now door is open
and i start to play
as ussual some very
old song
I feel like out of
the space
unitill policeman
come
I say i say
I've got
no permission
to play...
