

# Duct Tape, Noelle

Its 12:30 at night  
and no one can stop her now  
how do you see a girl,  
that nobody has seen before  
cause nobody want more from her

from her and her disguise  
that mask her eyes  
from sure lies

Noelle, Noelle, i can never tell  
if you playing with my heart  
or if I'm just crazy  
so tell me please  
are you into me  
cause i can't wait any longer  
ya.

12:30 at night  
her life is knock down  
because nobody knows how  
her birthday is  
the day of the dead  
just like i said  
i'll never forget what respect

from her and her disguise  
that mask her eyes  
from sure lies

Noelle, Noelle, i can never tell  
if you playing with my heart  
or if i'm just crazy  
so tell me please  
are you into me  
cause i can't wait any longer

We're going tonight  
and this feels just right  
i can't take anymore  
from her and her disguise  
that mask her eyes  
her baby blue eyes

Noelle, Noelle, i can never tell  
if you playing with my heart  
or if i'm just crazy  
so tell me please  
are you into me  
cause i can't wait any longer  
ya
