

Duffy Stephen, Holte End Hotel

Holte End Hotel

Where I live

All year round

In my dream

Where I live

By the ground.

I'll meet you where the lane from Whitton stalls

They hurry when the voice of football calls.

Holte End Hotel

Falling down

Down down down

Ballroom days

Lothead plays

Balding crown.

I'll meet you where the lane from Whitton stalls

They hurry when the voice of football calls.
