

# Dum Dums, I Can't Please Myself

WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO

Is wrong, Is it right  
Is it tame, or does it bite  
I took a glance, It made me blind  
I couldn't seem to get out of my mind

I don't see nobody pleasing themselves  
I just see people poking holes in themselves  
I don't see nobody pleasing themselves  
I just see people poking holes in themselves  
I can't please myself  
I can't please myself  
I can't please myself  
I can't p-p-p-p-p-ah

WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO  
I took a shower, I went in clean  
I came out dirty, you know what I mean  
I said my prayers, and I confess  
Jumped with the devil in the wilderness

And everybody's always buildin' a hole  
You start a new day and the holes still there  
The men to represent nobody's gone  
It's times like these when I've got to give up  
I can't please myself  
I can't please myself  
I can't please myself  
I can't p-p-p-p-p-ah

WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO  
WOO-WOO WOO-WOO  
I cut yours down  
Hold it up to the light  
I wear it like a love bite  
It draws me to the dark side  
Fight!
