

# Duncan James, Can't Stop A River

Gone are the days of my mistakes,  
I'd give everything, if everything is what it takes.  
I'll bring the sun and I would chase  
the rain, if I needed to.  
But those many ways of mine, but  
I've been down that road so many  
Times.  
And if you depend upon me, then  
Maybe you'll see.

[CHORUS]

You can't stop the river from flowing  
To the sea.  
Cos some things just happen, like  
They're meant to be.  
And it doesn't matter where you are,  
Or where you go, or what you do.  
You can't stop my heart from loving you.

There is a dream I keep alive.,  
Wonderful and heavenly standing by  
Your side.  
Bringing you all the colours love can  
Spare just to be with you.  
And there maybe times when i  
Should have been there to hold you  
Through the night.  
And if you depend upon me, then  
Maybe you'll see.

[CHORUS]

I've been miles away but I'm paying  
My dues,  
But don't worry I wont blame you for  
A minute, no way no.  
I wont blame you this time, please.

[CHORUS]
