

Duncan James, Simple Love Song

Does the after to be your reason
Is the reason really me
And I dont know what I believing
But I do believe in you

Could you ever day to love me
As much as I love you

Did you know that Ive been missin
Missin you inside my head
And it sees just a simple love song
A song just for you
A song just for you

I like to catch you while you sleepin
I think of all of thinks weve done
I like to watch the stars has faded away
And all your clothes so I feel safe

Did you know that Ive been missin
Missin you inside my head
And it sees just a simple love song
A song just for you

Oh, did you know that Ive been missin
Missin you inside my head
And it sees just a simple love song
A song just for you
A song just for you
A song for you

I can hide my eyes
Stop me running scared
Can you hear my cries
I wish that you
I wish that you were here
To help me

Did you know that Ive been missin
Missin you inside my head
And it sees just a simple love song
A song just for you

Oh, did you know that Ive been missin
Missin you inside my head
And it sees just a simple love song
A song just for you
A song for you
