

# Duncan Sheik, Half Life

I'm awake in the afternoon  
I fell asleep in the living room  
and it's one of those moments  
when everything is so clear

before the truth goes back into hiding  
I want to decide 'cause it's worth deciding  
to work on finding something more than this fear

It takes so much out of me to pretend  
tell me now, tell me how to make amends

maybe, I need to see the daylight  
to leave behind this half-life  
don't you see I'm breaking down

lately, something here don't feel right  
this is just a half-life  
is there really no escape?  
no escape from time  
of any kind

I keep trying to understand  
this thing and that thing, my fellow man  
I guess I'll let you know  
when I figure it out

but I don't mind a few mysteries  
they can stay that way it's fine by me  
and you are another mystery I am missing

It takes so much out of me to pretend

maybe, I need to see the daylight  
to leave behind this half-life  
don't you see I'm breaking down

Lately, something here don't feel right  
this is just a half-life  
is there really no escape?  
no escape from time  
of any kind

come on lets fall in love  
come on lets fall in love  
come on lets fall in love  
again

'cause lately something here don't feel right  
this is just a half-life,  
without you I am breaking down

wake me, I want to see the daylight  
save me from this half-life  
let's you and I escape  
escape from time

come on lets fall in love  
come on lets fall in love  
come on lets fall in love  
again
