

Dune, Hand In Hand

Let's go hand in hand
Into lovely land
Side by side
To a world that shines so bright

Let's go hand in hand
Into lovely land
Side by side
Follow me into the light

Into lovely land
Side by side
To a world that shines so bright

Let's go hand in hand
Into lovely land
Side by side
Follow me into the light

Into lovely land
Side by side
To a world that shines so bright

Let's go hand in hand
Into lovely land
Side by side
Follow me into the light

To a world that shines so bright

Let's go hand in hand
