

# Dune, Hand In Hand

Let's go hand in hand  
Into lovely land  
Side by side  
To a world that shines so bright

Let's go hand in hand  
Into lovely land  
Side by side  
Follow me into the light

Into lovely land  
Side by side  
To a world that shines so bright

Let's go hand in hand  
Into lovely land  
Side by side  
Follow me into the light

Side by side  
To a world that shines so bright

Let's go hand in hand  
Into lovely land
