Duran Duran, Careless Memories

So soon, Just after you've gone My senses sharpen But it always takes So damned long Before I feel how much My eyes have darkened

Fear hangs a plane of gunsmoke Drifting in our room
So easy to disturb
With a thought
With a whisper...
With a careless memory

On the table
Signs of love life scattered...
And the walls break
We go crashing within
It's not as though-As though you really mattered
But being close,
How could I let you go
Without some feeling
Some precious sympathy following

Fear hangs a plane of gunsmoke Drifting in our room So easy to disturb With a thought With a whisper... With a careless memory

I walk out into the sun
I try to find a new day
But the whole place
It just screams in my eyes
Where are you now?
Cuz I don't want to meet you
I think I'd die-I think I'd laugh at you-I think I'd cry-What am I supposed to do,
Follow you?

Outside the thoughts Come flooding back now... I just try to forget you... So easy to disturb With a thought... With a whisper... With a careless memory...
