

# Duran Duran, Come Undone

Mine, immaculate dream made breath and skin  
I've been waiting for you  
Signed, with a home tattoo,  
Happy birthday to you was created for you

(can't ever keep from falling apart  
At the seams  
Can't I believe you're taking my heart  
To pieces)

Oh, it'll take a little time,  
Might take a little crime  
To come undone now

[PRECHORUS]  
We'll try to stay blind  
To the hope and fear outside  
Hey child, stay wilder than the wind  
And blow me in to cry

[CHORUS]  
Who do you need, who do you love  
When you come undone  
[repeat]

[Verse 2]  
Words, playing me deja vu  
Like a radio tune I swear I've heard before  
Chill, is it something real  
Or the magic I'm feeding off your fingers

(Can't ever keep from falling apart  
At the seams  
Can I believe you're taking my heart  
To pieces)

Lost, in a snow filled sky, we'll make it alright  
To come undone now
