

Duran Duran, Danse Macabre

Halloween girl seize the fray
Brothers and sisters lead the way
Shackled to the rhythm, your soul is weighed
So you better get down on your knees and pray

Comin' out for the Hawsker mad bull
Jumpin on the hot seat, lyin' in the deadpool
Delivery quick, expensive mistake
The damage, the damage, the damage, the damage

Hey, no way
Some ghost drivin' an AC Cobra
Auto-da-fé
Get dirty up on the Danse Macabre
Hey, no way
I had you down for the cat's pajamas
Auto-da-fé
Get dirty up on the Danse Macabre

If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine

Heaven sake, don't blow your karma
Liberate your Danse Macabre

Zombie in the bathroom, nuns in the bed
Kiss a kiss make up, toastin' the bread
An Elvis' moans, an old natty dread
With death in the living room, offering her head

Are you watching, are you watching
Collars and chains and gold star matching
Kamikaze stag dude twist and shout
At Sudan Archives on a girls night out

Hey, no way
Some ghost drivin' an AC Cobra
Auto-da-fé
Get dirty up on the Danse Macabre
Hey, no way
I had you down for the cat's pajamas
Auto-da-fé
Get dirty up on the Danse Macabre

If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine

If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine

(Heaven sake, don't blow your karma)
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine
(Liberate your Danse Macabre)
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine
(Heaven sake, don't blow your karma)
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine
(Liberate your Danse Macabre)
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind, if you don't mind
If you don't mind diggin down the gold mine
