

# Duran Duran, Fallen Angel

From this cloud where I hang dangle in the blue  
I spy you all tiny creatures on the ground below  
For my being reckless got me strung up in the sky  
But love is flawed now see the lowlies cry  
Cut my cord now better then better off to die

Here am I your falling angel dangle in the blue  
I'm your angel and I wish that I could be like you

It's my time all I have for my crime is such  
Knowing that the thing I love is that which I can't touch  
So I watch your fragile beauty changing in the sun  
Love is flawed now see the lowlies cry  
Cut my cord now better then better off to die

Well here am I your falling angel dangle in the blue  
I'm your angel how I wish that I could be with you  
Falling angel dangle in the blue  
I'm your angel and I wish that I could be like you

I believe in you I don't believe it all but I believe in you  
I don't believe it all but I believe in you  
I don't believe it all but I believe in you  
I don't believe it all
