Duran Duran, Planet Earth

Only came outside to watch the night fall with the rain I heard you making patterns rhyme Like some new romantic looking for the tv sound You'll see I'm right some other time

Look now, look all around, there's no sign of life Voices, another sound, can you hear me now? This is planet earth, you're looking at planet earth Bop bop bop bop bop bop bop this is planet earth

My head is stuck on something precious Let me know if you're coming down to land Is there anybody out there trying to get through? My eyes are so cloudy I can't see you

Look now, look all around, there's no sign of life Voices, another sound, can you hear me now? Is is planet earth, you're looking at planet earth

Bop bop bop bop bop bop bop This is planet earth Bop bop bop bop bop bop bop This calling planet earth Bop bop bop bop bop bop This looking at planet earth Bop bop bop bop bop bop bop This is planet earth
