

Duran Duran, Salt In The Rainbow

(Le Bon, Rhodes, Taylor, Taylor, Taylor)

Something to remember
in some far off time
when you get that lonely shine in your eye

Dreams and lovers
ever wonder why
When everything starts breaking down
they're reaching for the sky

You are forever
all I understand
I hold forever
here within my hands

Picking through the pieces
and what do you have at all?
Just the danger of relying on those who'd let you fall

So you try, try much harder
until the truth is drawn
The very thing you've been searching for
has been yours all along

We are forever
all we understand
this is forever
here within our hands
