Duran Duran, Save A Prayer

You saw me standing by the wall, Corner of a main street And the lights are flashing on your window sill All alone ain't much fun, So you're looking for the thrill And you know just what it takes and where to go

Don't say a prayer for me now, Save it 'til the morning after No, don't say a prayer for me now, Save it 'til the morning after

Feel the breeze deep on the inside, Look you down into your well If you can, you'll see the world in all his fire Take a chance (Like all dreamers can't find another way) You don't have to dream it all, just live a day

Don't say a prayer for me now, Save it 'til the morning after No, don't say a prayer for me now, Save it 'til the morning after Save it 'til the morning after, Save it till the morning after

Pretty looking road,
Try to hold the rising floods that fill my skin
Don't ask me why I'll keep my promise,
Melt the ice
And you wanted to dance so I asked you to dance
But fear is in your soul
Some people call it a one night stand
But we can call it paradise

Don't say a prayer for me now, Save it 'til the morning after No, don't say a prayer for me now, Save it 'til the morning after Save it 'til the morning after

Save a prayer 'til the morning after
