

# Duran Duran, The Valley

These are days of hit and run  
In the stream with everyone  
Is a moment of our lives

On a wandering river  
Going on together  
Many journeys to arrive

I've been walking  
Through the valley  
Through the tall grass  
And the shadows  
And I feel it  
I can see it  
Yes I need it  
I believe it

Through the city  
And the towers  
Turning minutes  
Into hours  
And I feel it  
I can see it  
Yes I need it  
I believe it

When I think I'm being strong  
And I lose direction  
then a life starts looking mischievous  
Finding revelation  
Out of desperation  
Always stretching time  
But it's never long enough

You think you're happy  
Think you're free  
But maybe we're just  
Comfortably dizzy

I've been running  
Through the valley  
Through the tall grass  
And the shadows  
And I feel it  
I can see it  
Yes I need it  
I believe it

Through the city  
And the towers  
Turning minutes  
Into hours  
And I feel it  
I can see it  
Yes I need it  
I believe it

I've been running  
Through the valley  
Through the tall grass  
Through the shadows  
And I feel it  
I can see it  
Yes I need it

I believe it

Through the city  
And the towers  
Turning minutes  
Into hours  
And I feel it  
I can see it  
Yes I need it  
I believe it
