Dust For Life, Step Into The Light

In this place I'm a soul so hollow In this mud with the pigs I wallow

Friday when Sunday's gone Tomorrow I'm leaving home I don't need to beg or borrow Got all my friends out on loan Got an ocean of laughter for a pool of sorrow (I just can't lose now)

Easily the way you deceive me Strung out so you stay but you leave me

Chorus

I'll wait to see which way you're gonna go Sell me cheaply at the river's edge Darkness grows around my heart and I let it go I'll wait to see how this will end Then I'll step into the light to find

Chorus

And in light? To find I'm not alone And I'll step into the light To find I'm not alone And I'll step into the light yeah Into the light Yeah
