

# Dusty Springfield, I Just Fall In Love Again

(Dorff / Herbstritt / Sklerov / Lloyd)

Dreaming, I must be dreaming  
Or am I really lying here with you?  
Baby, you take me in your arms  
And, though I'm wide awake  
I know my dream is coming true

And, oh, I just fall in love again  
Just one touch and then  
It happens everytime  
And there I go  
I just fall in love again  
And when I do  
I can't help myself  
I fall in love with you

Oh, magic, it must be magic  
The way I hold you  
And the night just seems to fly  
Oh, it's easy for you to take me to a star  
Heaven's in that moment when I look into your eyes

And, so, I just fall in love again  
Just one touch and then  
It happens everytime  
And there I go  
I just fall in love again  
And when I do  
I can't help myself  
I fall in love with you

There I go, I just fall in love again  
And when I do  
I can't help myself  
I fall in love with you  
I can't help myself  
I fall in love with you
