

Dusty Springfield, I Want To Stay Here

(Gerry Goffin / Carole King)

I don't wanna go to the party with you
I don't wanna go to the dance
I don't wanna go anywhere with you
I just wanna stay here and love you
(Oh.....oh.....)

Now that I can be alone with you
I won't throw away the chance
There's no other place like home with you
I just wanna stay here and love you
(Oh.....Oh.....)

All through the week
I miss you so
But, now that I've got you
I'm gonna hold you closer and closer and closer
(Oh.....Oh.....), ooh, ooh, oh

I don't wanna go out walking with you
And now that I am in this trance
I don't even know if I'll talk to you
I just wanna stay here and (I wanna love you, I wanna love you, I.....)

I just wanna stay here and love you
I wanna stay here and love you
Yes, I wanna stay here and love you
Just wanna stay here and love you, ooh-ho, baby, baby
I wanna stay here and love you
Yes, I wanna stay here and love you
