

Dusty Springfield, Meditation

In my loneliness
When you're gone and I'm all by myself
And I need your caress
I just think of you
And the thought of you holding me near
Makes my loneliness soon disappear

Though you're far away
I have only to close my eyes
And you are back to stay
I just close my eyes
And the sadness that missing you brings
Soon is gone and this heart of mine sings

Yes I love you so
And that for me is all I need to know
I will wait for you
Till the stars fall from out of the sky
But what else can I do?

I will wait for you
Meditating how sweet it'll be
When you come back to me

Just the memory of your little smile
Makes everything worthwhile
You're so right for me
There could never be anyone new
Could thrill me the way that you do
No, I won't forget
For though you're gone I feel your nearness yet

Oh, I will wait for you
'Til the stars fall from out of the sky
But what else can I do?
I will wait for you
Meditating how sweet love will be
When you come back to me
