

# Dusty Springfield, The Corrupt Ones

(Garaventz / Kaye)

Here in this town of dirt and greed  
Playground where devils play  
Here where I had the bad, bad luck to be born  
Here I must stay

Here I belong  
Here I will die  
Caught in the web of love  
I can't escape  
Won't even try  
My fate is tied with the Corrupt Ones  
Especially with one guy

He came around when I was down  
Opened new worlds for me  
Gave him my love  
And dreamed of breaking my chains of misery

But I was wrong  
I soon would learn  
Thinking I'd leave this town  
Here he found wealth  
Money to burn  
Not like the nowhere  
Where he came from  
And he would never return

Here I belong  
Here I will die  
Caught in the web of love  
I can't escape  
Won't even try  
My fate is tied with the Corrupt Ones  
Especially with one guy

Especially with one guy
