

# Dwight Yoakam, For Love's Sake

Honey, if you only knew  
What I've the will to do  
Endure or take  
All for love's sake

Baby, there'd be no denyin'  
Any sacrifice that I'm  
Prepared to make  
All for love's sake

BRIDGE:  
As evidence I offer up my heart  
Begging you to use every last part

Baby, I'll stand shielding you  
Any hurt quick to pursue  
Each blades embrace  
All for love's sake

Honey, if you only knew  
What I've the will to do  
Endure or take  
All for love's sake

Baby, there'd be no denyin'  
Any sacrifice that I'm prepared to make  
All for love's sake

For love's sake
