

# E-Mortal ft Tiff Lacey, Coming Home

Been away for so long  
All alone in the outside world  
Now Im dancing to a different song  
I am changed, Im not that girl  
Never realized till now  
(Coming home) Coming home  
How I missed the feel of you  
So I come to show you how  
(Coming home) Coming home  
What it wins when love is true  
Been away for so long  
(Coming home) Coming home  
All alone in the outside world  
Now Im dancing to a different song  
(Coming home) Coming home  
I am changed, Im not that girl  
Coming home  
Im coming home  
Back to your arms  
Back to you  
Coming home  
Its all Im now  
Its all I want  
Its all I need  
Coming home to you  
Coming home to you  
Coming home to you  
Been away for so long  
All alone in the outside world  
Now Im dancing to a different song  
I am changed, Im not that girl  
Never realized till now  
(Coming home) Coming home  
How I missed the feel of you  
So I come to show you how  
(Coming home) Coming home  
What it wins when love is true  
Coming home  
Coming home  
Back to your arms  
Back to you  
Coming home  
Its all Im now  
Its all I want  
Its all I need  
Coming home to you  
Coming home to you  
Coming home to you  
Back to your arms  
Back to you  
Coming home  
Coming home to you  
Its all I want  
Its all I need  
Coming home to you
