

# E-Type, Dans La Fantasia

Je me demande que tu fait  
maintenant je pense encore a toi  
Pourquoi les dieux ne veut  
pas comprendre tout ca  
Et je voudrais que tu (que tu) vive ma vie  
L'histoire etait plus belle dans la fantasia

Met you in West-India  
Over an endless sea  
I never thought it could be for real  
So few words, I never tired to feel

So why did it slip away  
When did we go astray  
I am to blame but I never lied  
It's like a miracle passed me by

I'm on a distant shore  
Too late but i long for more  
I wonder why did you turn away  
Love bites but I wanna stay

How could I be so blind  
I can't get you off my mind  
I wonder when did you turn away  
Love bites but I wanna stay

Yeah-i-yeah  
i-yeah-i-yeah  
i-yeah-i-yeah  
Yeah-i-yeah  
i-yeah-i-yeah  
Dans la fantasia...
