

E-Type, Set The World On Fire

Set The World On Fire

So I am what I am what I feel can not be wrong
This is the way that I feel and I'm coming on strong
We're talking hundreds and thousands
with potential to stay
but only one with quality
can turn the loneliness away, come follow me
One is a wonder
one is a wonder
but only
one is a wonder
one is a wonder
Set the world on fire
I'll do anything to get what I want
aim even higher
I'll do anything to be the one
So I'm cruising round the continent
to see what I can find
a lot of fangs, but I refuse to be a slave to the ground
We're talking gadda-da-vida,
honey now the deed is done
and if you're in you've got to show me
that you really are the one
come follow me
One is a wonder
one is a wonder
but only
one is a wonder
one is a wonder
(I'm gonna) Set the world on fire
I'll do anything to get what I want
(I'm gonna) aim even higher
I'll do anything to be the one
