

# Eagle-Eye Cherry, Burning Up

Would you believe me,  
if I said I'd never lie?  
Though it ain't easy,  
I can tell you I have tried.  
But I gotta say,  
that it comes those days,  
that I told something untrue.  
Would you forgive me,  
if I said I'd lied to you?  
This is my fear,  
to tell you what I've done.  
As things come clear,  
I'm afraid you'll be gone.  
But all I know,  
is if you go,  
at least I've told what's true.  
Hope you'll forgive me,  
when I say I've lied to you.  
I'm burning up,  
I'm burning for you,  
when the truth has been spoken,  
there's nothing I do.  
Yes, I'm burning up,  
I'm burning for you,  
when the truth has been spoken,  
there's nothing I do.  
How will you kill me,  
for what I'm about to tell?  
Please do it gently,  
cuz you know I'm bound for hell.  
All I know,  
is I've lost my soul,  
I'm burning inside.  
Hope you'll forgive me,  
yes I have lied.  
Oh, yes I have lied.  
I'm burning up,  
I'm burning for you,  
when the truth has been spoken,  
there's nothing I do.  
Yes, I'm burning up,  
I'm burning for you,  
when the truth has been spoken,  
there's nothing I do.  
Now you know that I've gone,  
and I've been untrue to you.  
And once it's torn,  
you know there's nothing we can do, yeah.  
I regret that I let this get so outta hand.  
I pray, this day,  
that you understand.  
I'm burning up,  
I'm burning for you,  
when the truth has been spoken,  
there's nothing I do.  
Yes, I'm burning up,  
I'm burning for you,  
when the truth has been spoken,  
there's nothing I do.  
Uh, yeah.  
I'm burning up.  
I'm burning up.  
I'm burning up.  
I'm burning up,

thats right.  
Yes I'm,  
burning up.  
Oh, I'm burning up.  
(fade out with "I'm burning up.")
