

Eagles Of Death Metal, Wastin' My Time

Wastin' my time
Lord, wastin' my time
No ambition but to waste some more
Wastin my time
Lord, wastin my time, wastin' my time...
Passing me by, Lord, passing me by.
Time ain't waitin' just moving on.
Passing me by, Lord, passing me by.
Marble and stone.
Lord, marble and stone
I keep losin' won't never win.
Marble and stone, Marble and stone
