You you move ur body like ur makin' love

and i cant wait to get you home with me

tonight

and girl

i love it when u take it to the floor

up and down like your riding a pole

i had to take this time to let you know

u need to stop

i love it wen u pop it

[Chorus 2x]

can you dance like you fuck

can you fuck just like you dance

coz the way you shake that thing makes me want what's in your pants

[Verse 2]
