

# Earth, High Command

Bones are feeling sleazy  
Head spinning around  
Spend the night with Josef Goebbels  
Think I&#039;m coming down

Life isn&#039;t easy  
Thru having fun  
Spent the night with Heimlich Himmler  
Think I&#039;m on the run

Always done the best  
of everything around  
flew the plane for Rudolph Hess  
I&#039;ve landed upside down

Always have to have  
something in my head  
Shot cocaine with Hermann Gring  
now I wish I was dead
