Earth Wind And Fire, After The Love Has Gone

For awhile, to love was all we could do We were young and we knew In our eyes were alive Deep inside we knew our love was true For awhile, we paid no mind to the past We knew love would last Every night, something right Would invite us to begin the day

Something happened along the way What used to be happy was sad Something happened along the way And yesterday was all we had

And, oh, after the love has gone How could you lead me on And not let me stay around? Oh, oh, oh, after the love has gone What used to be right is wrong Can love that's lost be found?

For awhile, to love each other with all We would ever need Love was strong for so long Never knew that what was Wrong, oh, baby, wasn't right We tried to find what we had Till sadness was all we shared We were scared This affair would lead our love into

Something happened along the way Yesterday was all we had Something happened along the way What used to be happy is sad Something happened along the way Yesterday was all we had

And, oh, after the love has gone How could you lead me on And not let me stay around? Oh, oh, oh, after the love has gone What used to be right is wrong Can love that's lost be found?

Oh, oh, oh, oh, oh After the love has gone What used to be right is wrong Can love that's lost be found?

Oh, oh, oh, oh, oh After the love has gone What used to be right is wrong Can love that's lost be found?
