

# Earth, Wind And Fire, Honor The Magic

Maurice White & Freddie Ravel

Hold on to your spirit  
Always feel your soul  
Honor the magic  
In your heart

Aa family we're part of  
Everlasting hope  
Bringing the magic  
Giving that tender love

Through ups and downs  
You've got to  
Hold on to your spirit  
Always feel that love and  
Music's everlasting

Giving of your heart so tender  
Warfamily, let's surrender  
In our heart and soul  
There's joy and laughter

Heart so tender  
Love surrender  
Our hearts are filled with  
Joy and laughter
