

# Earth, Wind And Fire, Let Me Love You

(Gregory Curtis)  
2003 CARDRAYGEE MUSIC (SESAC)

Girl close your eyes  
And let me love you  
Feel me so close  
My heart beats for you

All the passion and the fire  
I can see it in your eyes tonight  
Cause' desire's in me too

So let me love you now  
Let me show you how  
Gonna' take you to place so high

Cause' it's alright  
All night lovin', so right lovin'  
My love will drive you crazy

Chorus

Ooo girl, gonna' love you  
With all the power in my heart  
You really turn me on  
You make me feel free

So I'll sing you a song  
Making love all night long  
I'm a happy man  
And it's all because of you

Cause' it's alright  
All night lovin', so right lovin'  
My love will drive you crazy

Girl I love your sexy groove  
And I'm always in the mood to love you  
Love only you  
You know just what to do  
So lets get to it

Chorus
