

Earth, Wind And Fire, Where Have All The Flowe

P. Seger

Where have all the flowers gone
A long time passing
Where have all the flowers gone
A long ago
Where have all the flowers gone
Girl, they're picked up, every one
When will they ever learn
When will they ever learn

Where have all the soldiers gone
Long time passing
Where have all the soldiers gone
A long ago
Where have all the soldiers gone
They've gone to graveyards every one
When will they ever learn
When will they ever learn

When will they learn, ever learn
When will they learn
When will they learn, ever learn
When will they ever learn
When will they ever learn

If you don't know what we're talkin' about
when we say this
There's too many starvin' children
If ya don't know what we're killing each other
And We just ain't got time for ya brother
No no hey hey ...
