

# Earth, Wind & Fire, Feelin' Blue

Kenny Altman

Where, do you go, when you're lost.  
Is it up, is it down, is it here

And what, do you see, in the dark  
Is it real, is it me, are you scared

Do you believe in yourself  
Are you good, are you bad, are you there

And can you confess to the morning light  
And be true, what to do-  
When it's you, feelin' blue  
When it's you, feelin' blue  
Tell me truth, if you can  
Do you know, who you are  
In a dream

Do you forget, when you open  
your eyes, and you lose, what to do-  
When it's you, feelin' blue  
When it's you, feelin' blue

Do you believe in yourself  
Are you good, are you bad, are you there

Just leave it alone, let it go  
Will you see, will you wait, has it gone

Then why, do you sleep in your chair  
No there's not much to do-  
When it's you, feelin' blue  
When it's you, feelin' blue
