

Earth, Wind & Fire, King Of Groove

Morris "Butch" Stewart

Everybody wants to be a star
everybody wants to be accepted by the mass
everybody wants to be raging fire
but their heat don't last

Everybody wanta peek into my dreams
they try to figure out if I'm just full of jive
everybody wanta ride in my limousine
but nobody wants to drive

chorus:

But I'm the king
I'm the king of groove
yes I'm the king
I'm the king of groove
he's the king of groove (I can't lose)
(summon the royal brass)

Everybody want a piece of the pie
but they'll take a pass if it's a case of do or die
the greener syndrome is at hand
we'll kick the feline or come forth and take a stand

If you're wishing on a star
ooh I pray your wishes bring you to receive the call
the king of groove is going far
and in my kingdom there is room for all

chorus:

'cause I'm the king
I'm the king of groove
yes I'm the king
I'm the king of groove

bridge:

King of groove
I can't lose,
stand back and watch my moves
'cause I'm the king of groove
I'm the king yeah I'm the king
yeah I'm the king of groove

He's the king of groove
that's right

bridge:

Well, you've got your
this of that and your that of this
with the king of groove baby you can't miss
you got your Joan of Arc
and your house of wax
but with the king of groove
you'll be jammin' back

You got your Dukes of Hazzard and your Duke of Earl
and the queen of Sheba, she was one bad girl
Aretha Franklin, she's the queen of soul
but the king of groove
is in control

He's got the lord of lords

and the king of kings
he keeps the king of groove
doing his thing
you can't stop him
no matter what you do
'cause you're dealing with
the king of groove
