

Earth, Wind & Fire, That's The Way Of The World

Hearts of fire creates love desire
Take you high and higher
To the world you belong

Hearts of fire creates love desire
High and higher
To your place on the throne

We've come together on this special day
To sing our message loud and clear, hmmm
Looking back, we've touched on sorrowful days
Future pass, they disappear

You will find (you will find)
Peace of mind (yeah)
If you look way down
In your heart and soul
Ah, don't hesitate
'Cause the world seems cold
Stay young at heart
Ah, 'cause you're never
Never old at heart

Never, never, yeah, yeah

That's the way (that's the way)
Of the world (of the world)
Plant your flower (plant your flower)
And you grow a pearl

A child is born
With a heart of gold
The way of the world (plant your flower)
Makes his heart so cold

Oh, ho no, yeah, yeah

Hearts of fire creates love desire
Take you high and higher
To the world you belong

Hearts of fire, love desire
High and higher
You, you, you
Hearts of fire, love desire
High and higher

We've come together on this special day
To sing our message loud and clear, yeah
Looking back, we've touched on sorrowful days
Future disappear

You will find (you will find)
Peace of mind (yeah)
If you look way down
In your heart and soul

Ah, don't hesitate
'Cause the world seems cold
Stay young at heart
'Cause you're never
Never, never, yeah, yeah

That's the way, yow

Of the world, yeah yow
Plant your flowers
And you grow a pearl

Child is born (child is born)
With a heart of gold
(With a heart of gold)
Way of the world (way of the world)
Makes his heart grow cold
(Makes his heart grow cold) yeah

Ooh, yeah, never
Ahhh, oh, well
