Earth, Wind & Fire, Touch

Martin Page & Don Lind

You're shining like the Northern Lights I hold you like a butterfly Without you it's a cold world Give in to love and rescue me

All that I need is to get close Both of us know we don't have to wait It's getting late

Let's touch, touch We can steal the night I need your touch, touch In the morning light Why don't we touch, touch Now the feeling's right I'll be there 'cause you know that I believe In your touch, touch We can steal the night I need your touch, touch In the morning light Why don't we touch, touch Now the feeling's right I'll be there 'cause you know that I believe

In your touch, touch
We can steal the night
I need your touch, touch,
In the morning light
Why don't we touch, touch
Now the feeling's right
Our bodies become one

We've waited such a long time To catch a glimpse of paradise The secrets that we keep inside Are feelings we should never hide

Open our minds, open our eyes Both of us know we don't have to wait It's getting late

CHORUS

And when I reach for you You better let me through I'm giving good advice I'm gonna give it to you Why don't we both give in to love

I wanna comfort you I wanna pull you through I'll make you close your eyes Get you in the mood Why don't we both give in to love
