

# Earth, Wind & Fire, Touch

Martin Page & Jon Lind

You're shining like the Northern Lights  
I hold you like a butterfly  
Without you it's a cold world  
Give in to love and rescue me

All that I need is to get close  
Both of us know we don't have to wait  
It's getting late

Let's touch, touch  
We can steal the night  
I need your touch, touch  
In the morning light  
Why don't we touch, touch  
Now the feeling's right  
I'll be there 'cause you know that  
I believe  
In your touch, touch  
We can steal the night  
I need your touch, touch  
In the morning light  
Why don't we touch, touch  
Now the feeling's right  
I'll be there 'cause you know that  
I believe

In your touch, touch  
We can steal the night  
I need your touch, touch,  
In the morning light  
Why don't we touch, touch  
Now the feeling's right  
Our bodies become one

We've waited such a long time  
To catch a glimpse of paradise  
The secrets that we keep inside  
Are feelings we should never hide

Open our minds, open our eyes  
Both of us know we don't have to wait  
It's getting late

## CHORUS

And when I reach for you  
You better let me through  
I'm giving good advice  
I'm gonna give it to you  
Why don't we both give in to love

I wanna comfort you  
I wanna pull you through  
I'll make you close your eyes  
Get you in the mood  
Why don't we both give in to love
