

Earthlings?, Family Ford

do you know
like they know?
begging tomorrow to understand it
happy people
love, the jealous fire.

they are the family ford
they are the family ford

blue moon rising
west sunset
universal love
sirens blare
party people
understand the grill(?)

they are the family ford
they are the family ford

ein zwei sky vie
ein zwei zwei vie
the ? is hi-fi
mobius operandi

they are the family ford
they are the family ford
they are the family ford
they are the family ford

(understand it)
