

Earthlings?, Individual Sky Cruiser Theory

Inside this room
we share the need of each other
the air in here that we seek for cover

You and I
You and I
you and i
You and I
you and i
You and I
you and i

Are we invisible?
No, you can't see.
Are we invisible?
No, you can't see.

When you close your eyes
Can you see all the others?
Inside their rooms
? space for each other

You and I
You and I
you and i
You and I
you and i
You and I
you and i

Are we invisible?
No, you can't see.
Are we invisible?
No, you can't see.
Are we invisible?
No, you can't see.
Are we invisible?
No, you can't see.
Or, can't you see?

We make each other
one into two
Hey...hey.
