

# East 17, Follow Me

You don't know how you met me  
You don't know why  
You can't turn around and say goodbye  
All you know is when I'm with you  
I make you free  
And swim through your veins like a fish in the sea  
I'm singin'  
\* Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you want to leave I can guarantee  
You won't find nobody else like me  
I'm not worried bout the ring you wear  
Cuz as long as no one knows than  
Nobody can care  
You're feelin' guilty and I'm well aware  
But you dont look ashamed and baby  
I'm not scared I'm singin'  
(Repeat \*)  
Won't give you money  
I can't give you the sky  
Your better off if you don't ask why  
I'm not the reason that you go astray and  
We'll be alright if you don't ask me to stay  
(Repeat \*)  
You don't know how you met me  
You don't know why  
You can't turn around and say goodbye  
All you know is when I'm with you  
I make you free  
And swim through your veins like a fish in the sea  
I'm singin' (repeat \*/ \*/ \*)
