

East 17, Follow Me

You don't know how you met me
You don't know why
You can't turn around and say goodbye
All you know is when I'm with you
I make you free
And swim through your veins like a fish in the sea
I'm singin'
* Follow me everything is alright
I'll be the one to tuck you in at night
And if you want to leave I can guarantee
You won't find nobody else like me
I'm not worried bout the ring you wear
Cuz as long as no one knows than
Nobody can care
You're feelin' guilty and I'm well aware
But you dont look ashamed and baby
I'm not scared I'm singin'
(Repeat *)
Won't give you money
I can't give you the sky
Your better off if you don't ask why
I'm not the reason that you go astray and
We'll be allright if you don't ask me to stay
(Repeat *)
You don't know how you met me
You don't know why
You can't turn around and say goodbye
All you know is when I'm with you
I make you free
And swim through your veins like a fish in the sea
I'm singin' (repeat */ */ *)
