

East 17, If You Ever (Featuring Gabrielle)

Hey, Oh yeah, Come On, Whoaah
If You Ever, Hey
My my my my
The very first time that I saw your brown eyes,
Your lips said hello and I said hi,
I knew right then that you were the one,
But I was caught up in physical attraction,
Much to my satisfaction
Maybe you were more than just a friend.
* And If you ever (ever fall)
Fall in love again now baby
You must make sure that the lady is a friend
And if you ever (ever fall)
Fall in love so true now baby
You must be sure that she feels the same way too *
If I say that I will be your one and only
Promise that you'll never leave me lonely
I just wanna be the one you need
I just wanna be the one to serve you,
Sometimes I feel as if I don't deserve you
I'd cherish every moment that we share
