

East West, Hey June

Hey June, I can't believe

you going away again this fall.

Hey June I can't take much more of this at all

Cause life was meant to be so much more than you are...

Hey June, I didn't hear you come in late again last night

Hey June, I can't smell his cologne on you

Hey June, Are you gonna stay out late again tonight

Cause life was meant to be so much more than you are...

Here she comes again, she comes and goes.
