

Easyworld, You Have Been Here

Baby don't cry for me
Been here for a while
And I believe it's alright to be
Through the screen with a smile
This business of killing me
Will be here when I'm gone

When I'm gone
So long
You have been here
When I'm gone
So long
You have been here

Don't try and explain to me
How the truth wore you down
And how the insecure strain to be
In the best seats in town
For a future so grey to me
Guess I won't see you there

Do they know
Don't you know
That you have been here
Don't you know
Don't you know
That you have been here

And I'm gone
So long
You have been here
