

# Ebony Ark, Searching For An Answer

Sometimes words confuse our minds  
Sometimes the tears of life try to hide  
Leaving memories behind  
You wanna live your life with no more fears

In these days of lies and envy  
They don't let be free  
That's the price

IF YOU WANNA FEEL  
AND YOU'RE SEARCHING FOR AN ANSWER  
IF YOU UNDERSTAND  
HOW CAN YOU FADE THE PAST  
IF YOU WANNA FEEL  
AND YOU'RE SEARCHING FOR AN ANSWER  
NOW YOU UNDERSTAND  
THAT TIME ALL PAIN HEALS

Need time to clear out your mind  
Still everuthing looks so  
So confuse  
Trying to scape from all mistakes  
And run away from all  
The scars deep inside
